

We are happy to host KRYON/Lee Carroll for the first time in Istanbul!

The author of sixteen "Kryon" Series and "Indigo Children" channelled information books Lee Carroll and his international team, are coming to Istanbul for the first time to present the latest information, about the transformation of our planet and the awakening of our spiritual nature.

After passing the marker of December 2012, Kryon, this loving spiritual being, is telling us that a brand new opportunity is offered to humanity to connect with our spiritual galactic family and achieve a reality of peace and prosperity.

ALL IN ONE PLACE EVENT!

Come and participate at this unique event and be present to welcome the blessings of Kryon energy for Turkey !After this special Kryon event, there will be many workshops, ceremonies, sacred-music concerts, Tachyon energy works and private sessions which will be held at Şişli Kent Kültür Merkezi and Bilgi Paylaşım Derneği, Taksim.
